IN APPRECIATION...

Mr. Michael Cangi took the task of Senior Class Advisor with the knowledge that it would, at times, become very hectic and time-consuming. With his constant support and sick jokes, our senior year turned out to be most profitable. His great ideas spurred us on to many money-making ventures, allowing us to enjoy a class banquet and a class trip.

Everyone knows that getting 138 seniors to pay their dues isn't easy, but if anyone can, the "Cangi-Man" can!

WITH **SPECIAL THANKS**

FROM ALL OF US!!!

The Class of 1975 extends special thanks to these four people. They have given their time and helpful advice and have contributed to our success as a class.

We commend Mrs. Judith Healey for her work with our Junior Class activities. Her guidance assured a fun-filled and profitable Talent Show and a most cherished prom, "SUMMER BREEZE".

The production of this yearbook was made possible by Mr. Brian Tuohey and Miss Pat Barry. Mr. Tuohey's business management and Miss Barry's overall leadership helped us to finance and put together our yearbook.

Mr. Joseph Arcudi has seen us through five years of high school. Always there to lend an ear, Mr. Arcudi listened to our troubles and gave us a lot of breaks. In Mr. Arcudi, we found a true friend.

Mr. William Vellante, Superintendent

To The Class of 1975

You are deserving of laudatory comments! You have demonstrated positive leadership through your example and direction to the underclassmen. Your contributions to the school have been numerous and the citizens of the community have recognized your efforts and your sincerity.

Your accomplishments in areas of the curriculum, as well as your concern for the well being of all students, will help you to become intelligent citizens.

Your exuberance and enthusiasm in school life have reminded me of William James' words: "Life is always worth living, if one has responsive sensibilities."

Having had the opportunity to have served as your Principal, and now as your Superintendent, makes me feel proud to have known you.

Good Luck to each of you.

William A. Vellante

To the Members of the Class of 1975

I would like to thank the members of the senior class for your cooperation and your efforts in making this a successful school year. I will always have a "special place" in my memory for the Class of 1975 for we shared many experiences during this time.

In many years at Millis High School, I have had the opportunity to work with many senior classes. Each class possesses a character which is unique. The Class of 1975 is one of the finest classes with which I have had the opportunity to be associated.

I wish to each member of the Class of 1975, continued good fortune and success in your future endeavors.

Thank you, Mrs. Gavin

"The whole art of teaching is only the art of awakening the natural curiosity of young minds for the purpose of satisfying it afterward."

Mrs. Mary Gavin

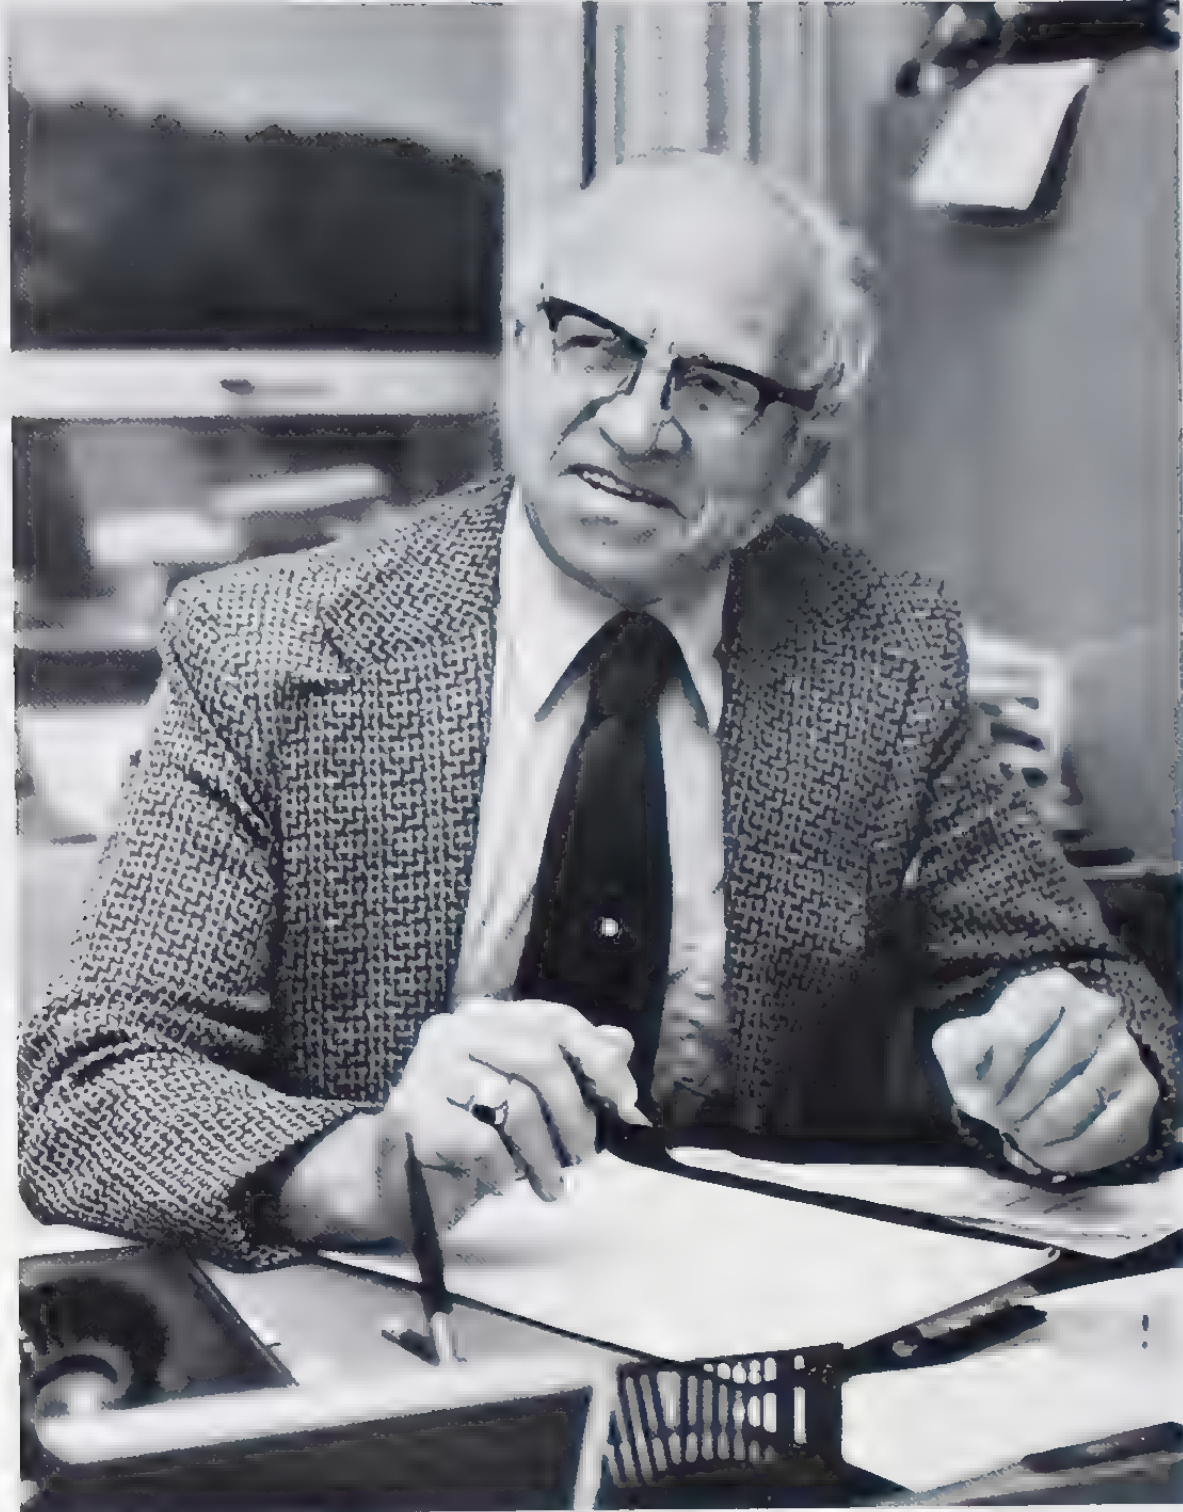

In December of 1974, a familiar face left the halls of Millis High School. During forty years of teaching, Mrs. Gavin touched the minds and hearts of both fellow teachers and three generations of students.

Although she will be sorely missed, her personal and professional contributions to Millis will always be cherished.

Dr. George C. Roy

1910-1975

“When through one man a little
more love
and kindness, a little more light and
truth comes into the world, then
that man’s life has had
meaning”

Working to further the quality of education was a life-long ambition of Dr. George C. Roy. His opinions were always weighed with a deep wisdom, and a careful concern for what is best for improving the quality of education. The school knew him for his many cooperative programs which touched the academics, arts, music, sports, and the modern school atmosphere that includes such elements as the open classroom, open campus, and early childhood development. His ideals, kindness and concern have become an integral part of the Millis Community.

According to the fans, this year was supposed to be a rebuilding year for our team. We proved, however, that we were a contender, having a chance for first place all the way to the last week. From the first day of practice until popsicle day, we all worked hard.

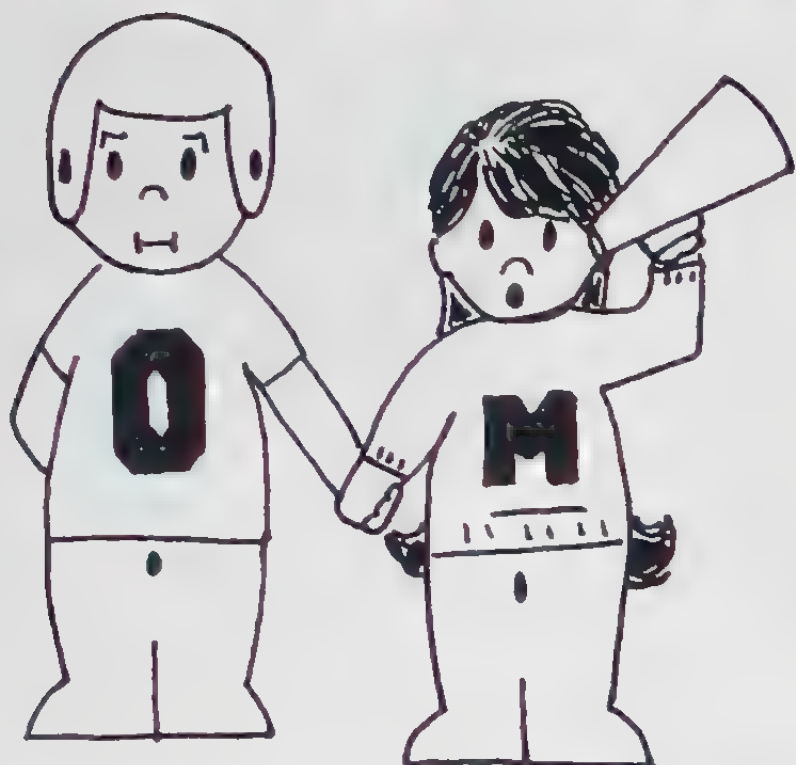

To win you must practice and we did plenty of that. We will always remember Friday practices with Lege and Red and the famous "porkypine" battles. Practices were rough and there were plenty of injuries. One of the most serious injuries was sustained by Ned. He was hit by flying debris, thrown by Mona in the locker room, and had to go to the hospital.

Although we ended the season with a 4-4-2 record, we played outstanding games against Westwood and Holliston, our strongest competitors. We were the kind of team who never gives up. We would just like to say thanks to: The Old Man, Wild, Pips, Beard, Ned, Mona, Red, Porkypine, The T., Villipiano, Gunner, Fawnsy, Stickhead, Vin, Olympia, Klav, Kenny P., Pumkin, William, Kilts, Frizo, Army, Glumby, Knick, Coach Keene, Coach Hoffman, Coach Sperandio, The "E", and the rest of the team for all the memories.

Thoughts of a Cheerleader
 I think I'll try out for cheerleading again, next
 fall,
 The fun I've had is worth it all!
 Hands waving, feet jumping, voices cheering so
 loud,
 The fear, tear, joys of the crowd!
 The team is playing to the tick of the clock,
 There's a kick, a pass, a punt, a block!
 Time is passing, where does it all go?
 There's a dribble, a basket, side shot, free throw!
 The disappointments, excitement, and fun we've
 all had,
 Is worth it all, the good and the bad!
 So, once more I'll end the season with a shout and
 a cheer!
 And say good-bye to it all, that is . . .
 Until next year!

All alone at last is the only way to describe our team this year. By sheer determination and hard work, we were able to achieve an 8-0-0 record.

Thanks to Miss Peterson's coaching pep talks, and lousy sprints, we were ready to take on any team. Even the length of our new skirts didn't deter us; at least our legs were warm!

For the first time we could actually say that we had fans. Their total support was greatly appreciated and we hope they will be back next year.

Next year's seniors have a hard act to follow, but we know they can keep the trophy in the case.

The Eight Super Seniors leave a slightly smaller psyche circle and eight positions to fill.

We leave Deb Sycamore and Tracy Dillon to lead the exercises and to pick up the bill for fourteen sundaes at Bergsons.

We wish you the Best of Luck! Carole Bis and Patty Kerwin.

Millis Qualifies For First State Tournament Wins Two Out Of Three Games

CO-CAPTAINS: Carole Bis and Patty Kerwin.

The team realized its potential when it entered the District Tournaments. There was a new goal to reach, the Division II Championship. We defeated Foxboro and Swampscott by identical scores of 1-0. We went into our last game against Dover with high hopes, but came away only as Division II finalists. Although we were disappointed, we are still proud to say that we played field hockey for Millis High.

This year the Soccer Team proved that it was ready to be a contender in the Tri-Valley League. They finished the season with an excellent 6-2 record, losing only to Westwood and Medfield, two of the best teams in the state. The team's rapid growth can only be attributed to Coach Vigue. He worked the team very hard during practices and by the end of the season you could see great improvement in the skills of every player.

With only two starting players leaving, we are sure that the team will be a strong contender when it enters the league next year.

Best of luck to all!

The 1974-75 Hockey Season was the fourth year for the Millis Icemen. With a 5-9-6 record it proved to be the best season yet. The team had another first — two players, Dave McGann and Dan O'Reilly were selected to the Southeastern Hockey League All-Star Team.

It was a young, inexperienced team lead by four seniors: Captain Dave McGann, Jerry Howley, Larry Jones and Dan O'Reilly.

The first half of the season proved to be a good 500%, 4-4-2. The second half was less productive with only one win in ten games, 1-5-4. The saying "Kissed your Sister" became a common phrase with six ties.

Looking back one could say "if" we didn't let Stoughton and Franklin come from a two goal deficit and tie us, and "if" we beat Dover Sherborn twice, and "if" we beat Southeastern twice instead of once, we could have finished in 4th place instead of 8th.

It was a good season and anyone who watched the Mohawks play knows that they will be a contender next year.

"Strikes and Spares" are the cries that could be heard every Tuesday afternoon as over 100 girls participated in the newly formed intramural bowling program. More than ten female faculty members participated and we watched their averages go up each week. The student teams improved each week and because of the tremendous interest in the program, we hope to run a similar program for the entire next school year. The Buzz 5 team of Laurie Sprague, Diane Ferris, Helen Powers, Janyce Gruhn, and Donna Smith captured first place as they breezed through most of their matches. The 1975 golf season was the best record in the history of the sport at M.H.S. The overall season record was 10-4-0. The Mohawks finished in third place, having the same number of wins as the second and first place teams, but more losses. The M.H.S. team was the only one in the league to defeat the first place team during the season.

Of this year's 6 starters we are losing 4 — Pete Harcovitz, Bill Graham, Eric Danis, and Ray English.

Among the honors won this year were:

- Second place in the Tri-Valley League individual competition (Pete Harcovitz).
- Selection of a member of the team to the Tri-Valley All-Star Team (Pete Harcovitz).
- The Glen Ellen Trophy (Pete Harcovitz, Scott Rose, Ray English).

At the annual athletic awards banquet the MVP trophy was awarded to Pete Harcovitz and the Most Improved Golfer award went to Scott Rose.

HISTORY

By the age of five, we, the Class of 1975, were ready, willing, and able to go to school. From the very first day we were a noisy and rowdy bunch. The first major incident was a chase of Greg Dmytryck by KENNY CANNON around the room, which resulted in Greg's hiding under the teacher's desk. Some of us, like JOHN GOODRICH, soon learned discipline, by spending many hours in the corner.

Entering first grade we were all hungry for learning. LARRY McCARTHY was so hungry, in fact, that he bit Miss Warten in the leg and held on fast all the way to the office. After we settled down, we decided school was pretty good.

"The Bench" was a big part of the second grade, as people like KEITH LEBLANC, CAROLE BIS, ALLAN JOHNSON, and LINDA POWER often found themselves talking to Mr. Lanthier because of too much talking in class.

Third grade brought on new and harder material to learn. CLAIRE GERMANO and JUDY KUHN got so nervous that they wet their pants. After a while, we started to get the hang of it, and set to work learning our multiplication tables.

By fourth grade we realized that we had a very athletic class, but the boys were disgraced because CATHY ANGEL was the fastest runner. That year started the daily battle at recess between STEVE D'ANTONIO and ELIOT SCOTT for the "Black Belt" title.

In fifth grade we started to take field trips. Seeing the movie "2001" was a great time, even though nobody knew what it was about. Fifth grade was also the start of a lot of romances. KRIS CUSHMAN, MARY FETTIG, EILEEN RIELLY and DIANE WERNER often came down to the Little League field to cheer their boyfriends on. It was around this time that we found out STEVE ROCHE was writing secret love letters to LYNN JORDAN.

As sixth graders we were the kings of the Memorial School. Many times, CHRIS FITZGERALD, KEN CANNON, GERRY HOWLEY and the gang would kick the red ball into the tree so they could have an extended recess getting it down. Recesses were a rough time as was demonstrated by SHEILA VOLPICELLI'S T.K.O. of LARRY McCARTHY. That same year GREG ROUSE, CHIP LEGER, TOMMY O'BRIEN and WAYNE URQUHART fought among themselves and with everyone else over the reading teacher, Miss Devine. By sixth grade we have received a new bunch of crazies in BILLY GRAHAM, JOHN DICHAIRO, and DAVE ANDONIAN. DAVE was so crazy he believed there was such a thing as albino grapes and did a report on them for Mr. Lynch. Later on that year, Mr. Dushku introduced "The Silly B's", MARY FETTIG, NANCY SHUTE, DENISE MOSHER and JANET BOURET, who specialized in dirty

jokes and giggling. At field day ELLEN HEANEY presented a new type of running style, which was quickly copied by GINGER SALVUCCI. Although GINGER ran a good race, ELLEN won with a lot of support.

Seventh grade brought on a new school and all new teachers. MAUREEN McKENNEY, DAVE McGANN, MARY HOWARD, and MARTHA JEAN VOGT soon learned how to write many pages for Mr. Dodge. That same year we went through four different math teachers. The math class got so confusing that RICH BIAGIOTTI once asked Miss Sevin if he could sharpen his pen.

Eighth grade brought a new face to Millis in TIM HISLOP, who was quickly grabbed by MARY FETTIG. We will all remember Mr. BeeBee and how DAVE WALSH, GARY TELLES and SUE ROBINSON talked him into showing us the movie "Brazilian Holiday" eight times. Fooling around reached a high point this year with all sizes of paper airplanes being constructed. Although she didn't construct one herself, JANICE McCARTER did, after much convincing, throw one, and earned the criminal name "MUGZIE McCARTER".

Our freshman year brought us an undefeated football team. This was a total team effort which was helped out by GEORGE SMITH and his size fifty-four pants. How could you forget the tank party and how PATTY KERWIN, NANCY SHUTE, DICK SALVUCCI and the rest of us tried to escape from the police!! This year also saw JIMMY WILLET dump a load of sawdust onto MICHAEL TERRIO's head.

As sophomores, we were the winners of the annual egg wars. With sixty boys, including: FRED GIBSON, ERIC DANIS, KENNY ARMSTRONG, MIKE MAHAN, AND CHRIS "MACHINE" FITZGERALD, we managed to make Bob Harcovitz's truck look like scrambled eggs. If you were to visit Miss Germano's class this year, you would have heard six or seven radios going in the back of the room. We can still hear DEBBIE McCARTER and SUSAN CLIFFORD saying "Turn those radios off!" Tenth grade also saw the Student Council, led by supreme commandant JOE NICHOLSON, bring Aerosmith to Millis High.

As Juniors we all met a new addition to our class, MELISSA KELLOGG, who entered the school with a snap, crackle and pop. We will all remember the pep rallies with EDDIE SIMS and how the crowd cheered for the "Soul Man Solo". This year also saw STEVE CLARK, DAVE SMITH and DAN O'REILLY writing, and GORDON WESTWATER erasing the catchy phrase "Use Gordo". A new organization was started up among the boys this year. KLAV headed by STEPHEN MANN quickly gained many supporters and eventually a female supporter named BARBARA DONOVAN.

Our senior year was full of surprises as GEORGE SMITH was surprised one day in the parking lot by Mr. Henck. We were even more surprised to see that TERRY SMITH and DOUG DEDOMING actually did come to school. This year's Talent Show brought on the biggest surprise of all though, as RAY ENGLISH, PETE HARCOVITZ, GORDON WESTWATER, BILLY GRAHAM, and LARRY McCARTHY forgot to catch a certain ballerina. Everything turned out all right though, and the senior boys stole the Talent Show. As spring came, we learned from LARRY JONES that "Nobody Shafts the Dolt."

Our senior class trip to Oak n' Spruce was a big splash as DAVE WALSH, DAVE ANDONIAN, GREG ROUSE and all the rest threw numerous cushions, chairs, and an umbrella into the outdoor pool.

The class banquet was a lot of fun as LARRY BURSTYN and SUE ROBINSON won tickets for an ocean cruise and DENISE STEEVES found a spot on the floor which seemed impossible to get up from.

After thirteen years it will all end tomorrow night, but I am sure that in the years to come the Class of 1975 will always be remembered as the best and craziest class ever.

Mr. M. C.

Let Us Make You Smile

The 1974 Talent Show was full of ups and downs, tears and smiles, silliness and seriousness. After four weeks of disastrous rehearsals, the talent show was miraculously pulled together in one week (or even less) and became a huge success. Everyone who took part will always remember those two nights in February when eyes were gleaming and a hush came over the auditorium when the opening number started: "Let Us Entertain You" — boy, did we!

Graduation Day

READY FOR GRADUATION

I've learned how to handle
 Parents and teachers,
 I've learned how to yell
 My head off in bleachers,
 I've learned how to rise
 And be bright-eyed by seven,
 I've learned an old Chevy
 Can carry eleven,
 I've learned how to "wear out"
 A new pair of jeans
 And other techniques for
 Surviving the "teens",
 I've learned how to get
 And get out of a date —
 So I guess I'm ready to graduate!

PROPHECY

Today is Wednesday, June 4th — the year 2001. Good afternoon, everyone. This is Eileen Rielly reporting to you from the MHS news room in New York.

Today President JOE NICHOLSON called upon his Chief Economic Advisor, JANICE McCARTER, to patch up the mess he has made of the economy. On the brighter side of government affairs, United States Treasurer, DIANE WERNER, is holding a nationwide, three-day car wash and spring fair. Every city and town is urged to participate. So, grab a pail and sponge and help lift the U.S. out of the recession. Meanwhile, DAVID WALSH, our celebrated Ambassador to France, has landed in Paris, thanks to the expert navigation of BURT STRATTON. Later today President NICHOLSON is planning to meet with South American Dictator, ELIOT SCOTT.

In the Legislature today, THOMAS POWERS, Head of the Board of Legalizing Marijuana, is putting up a strong fight for the cause he believes in.

In today's business world, women are now being elected to positions of power and authority. For example — JEANETTE ANEMAET heads the World Wide Corporation of "Cheerleaders Unite", while trim and fit TERESA CALDWELL is President of Weight Watchers! SUSAN CASSIDY also attracted a lot of attention when she opened the "Act-Like-A-Lady Finishing School for Girls." Fashion-minded DIANE DELAPORTA has finally worked her way up to Manager of "Decelles" in Medfield. DIANE has also kindly allowed MARY HOWARD to display her new line of "Slinky Toys" to get her moving in the right direction! Who says women can't raise a family and work, too? LORI KASE proves this statement false by not only raising a family, but working hard as owner of Di-Dee Diaper Service. Three more of our women DENISE JORDAN, MELINDA MAEL and KIM ANDERSON are now tri-owners of Jr. Hot Shoppes Corporation, specializing in Blivetts.

Successful owner of the BP Gas Station chain, BOB WOOD, attributes his rising sales to his feminine co-workers. CHERYL SANTOS and EDDIE HAMM, who pump gas.

Many people feel that they have been eating in style at DAN PARKER'S Fontain's Restaurant, where BILLY ISEMAN operates a valet parking service. Today, however, CHIP LEGER, owner of the Charles' Restaurant in Millis, informed the public that both restaurants have been supplied by JEROME CLANCY'S Cumberland Farm Food chain. STEPHEN ROCHE, head exterminator for the World Wide Corporation "Bug Off", has a new motto, "Show me one pest and I'll find the rest!"

Contractor RICHARD SALVUCCI is currently building a new recreation center in the town park. KENNY ARMSTRONG, of the famed Armstrong Floors, has been hired to put in all the floors and ceilings. Professional floor washer MARK SOMERS has dedicated his services to the upkeep of these floors.

Mr. Machine Manufacturer, CHRIS FITZGERALD, has just finished a new model super jet for pilot WAYNE URQUHART. Aviators, however, have not been able to get in touch with pilot URQUHART who is believed to be still flying high into the wild blue yonder. Guilt-ridden PETER HARCOVITZ feels the least he can do for the derelicts of Millis is to open a chapter of "Alcoholics Anonymous". Part of AA's rehabilitation program is held at Millis High School. Instructors JOHN COUSLAND and JOHN CLANCY teach the course entitled "You're Ahead By Far, in a Well-Tuned Car!"

In Education — School Official, DOUG DEDOMING has come up with a plan for a "Quickie High School," because no one should

have to spend five years in one. STEVE D'ANTONIO, a professor at Harvard University, leaves his students still trying to figure out what he's saying. SUE ROBINSON is now a full-time teacher at the Target Driving School. SUSAN has only one student, DENISE STEEVES, because DENISE takes up all of her time.

Librarian SANDY D'ANTONIO announced that this month's best seller list includes CHARLENE GENERAZIO's book **How to Continuously Laugh About Nothing**. The newsstands are hot with STEVE MANN'S new publication, **Bar-Bells**. A special feature, "How to Better Your Body", includes many helpful hints from BARB DONOVAN. The debating team of KEITH LEBLANC and ALLAN JOHNSON was thrown out of the competition by RICHARD BIAGIOTTI who claimed their outbursts were out of line.

In the field of medicine today, SUSAN CLIFFORD opened a minor illness clinic. She can now go to work even when she is sick. Working as her three best nurses are: CAROLE BIS, MARCIA BENNETT and PATRICIA HUNT. A new addition to the clinic is MARTHAJEAN VOGT'S Planned Parenthood Center. SHEILA VOLPICELLI made her mark in the medical field today when she announced her new invention, "Carry With You Disposable Crutches," for on the spot injuries! DEBORAH McCARTER made her first trip to India as a volunteer nurse's aid on a religious reservation. The Army got a boost today when JANET BENNETT joined the ranks to be a dental hygienist. Meanwhile, MARY FETTIG is still working her way up at Leonard Morse Hospital in Natick.

There was big news on the social scene today when NANCY SHUTE announced the grand opening of her new computer "Date-A-Mate" service. Her motto is "If you need a date, I'll find you a mate." There is never a dull moment when you call professional party organizers, DEB DAVIS and RAY OLSON. They are known coast-to-coast for their successful parties. Spring has sprung and so has the opening of EILEEN RIELLY'S nightclub, the Social Butterfly, (the renovated Timothy's Too on Rt. 9). The head bartender at the Social Butterfly is longtime drink mixer, KRIS CUSHMAN. Nightclub singer SUSAN CHAPMAN begins her lifelong career as lead entertainer for the club. More excitement took place today in Kansas City when LINDA DRAPER was overwhelmingly named "Mother of the Year." Also on the marriage scene, BILLY STEVENS announces the birth of his first child, Alpha Romeo the II. JACKIE HOLMES announces her marriage to the famed Sherlock Holmes. Today, when interviewed, JACKIE said, "I'm not sure he really means it; it all seems like a mystery to me!" The fashion news was beautified by two newcomers to the field of modeling, JOANNE PALANGE and LORETTA PERRY. The first to congratulate them was none other than our friendly public relation's man, CHRIS LONG. Three talented artists, SANDY PINKHAM, DAVID SMITH, and STEVEN PAUL combined their talents today and opened an art studio in Greenwich Village and it is expected to do very well. The gossip column reports today that "Man of the World" KENNY CANNON has again divorced and remarried for the fourth time. The column also gives us a reminder that JANET BOURET still has those late night, open house parties for any Millisites who wish to attend.

In the world of entertainment, two smash movies hit the theaters. The first film stars PATTY KERWIN and TIM HISLOP in MGM's latest motion picture, "The Way We Were, and The Way We'll Always Be." Another smash hit re-opening this week is "The Cheerleaders." This stars Academy Award Winners, DENISE MOSHER and ELLEN HEANEY. Still in the making is the movie "The Riffleman", starring STEPHEN CLARK; it will no doubt be a sure "shot" for success. As the beat goes on in the concert world, two new stars, DAVE ANDONIAN and EARL RHYNE, add their talent as back-up guitarists for Led Zeppelin. Meanwhile, RAY ENGLISH, trumpet player for The Tijuana Brass, successfully tours the world. This year Anita Bryant retires and JEAN SALVUCCI takes her place, singing for numerous football games and orange juice commercials.

The sports world was shaken today when pro basketball player CAROLYN PAINTER was warmly welcomed into the NBA by her fellow teammates! ERIC DANIS PALMER became the highest paid golfer in history today when he won the "Millis High Open" played at none other than Glen Ellen Country Club. Still another athlete made his mark in the sports world today when Tennis Pro JOHN GOODRICH beat Rod Laver with one hand tied behind his back. Hockey players DAVE McGANN and DAN O'REILLY report that they are pleased with their new million dollar contracts with the Boston Bruins. They also report that they can't get over the enormous crowds, which were something they seldom saw while playing for Millis. EVAN GESSMAN, Manager for the Boston Red Sox, was fired today when the owners of the team realized that the number of wins decreased from one hundred to two. DOREEN PUCCINI of the Mass Bay Bombers Roller Derby Team, won a gold cup for a devastating victory over the Houston Hustlers. LARRY MCCARTHY set another world record in track today as he completed his famous mile run backwards in under five minutes. Stock car racer CHRIS KARENTZ entered his brown Pinto in the "Northboro Nationals" today, and we are still impatiently awaiting the results of that race. Meanwhile, HOLLY WHITNEY became the first woman jockey to win the Kentucky Derby at Louisville. The Olympic Committee crowned two new finalists in the wrestling competitions today, when FRANK TILLEY and NANCY KELLEY proved their ability as an unbeatable tag team. And believe it or not! ANNETTE SANSOUCY, BETSY STRATTON, ROBIN BARRETT and CINDY BYRNE are still trying to leave rubber in CID'S six-cylinder Mustang. The MHS newsroom reminds you that the Wide World of Sports Motorcycle Championships are featuring two of the greatest motorcyclists of our time, GARY COTE and GERRY HOWLEY. This show will be aired Sunday on CBS at 7:30.

Don't forget that MIKE REYNOLDS can still be found on your local grocery store counter, oven tempered for flexible strength.

Don't forget to tune in to the morning segment of our show which features newscaster MELISSA KELLOGG who continues to bring the best to you each morning.

Eileen Rielly

EILEEN RIELLY leaves Lauren Anderson and Karen Barnes many happy days of cheering practice.

BOB SKALSKI leaves the members of the tennis team the phone number of a good taxi company.

SAL doesn't leave; he's staying in Millis.

DAVE WALSH leaves whatever French talent he has to Terry Fitzgerald.

THE PARKER BROTHERS leave to form a monopoly.

CAROLE BIS leaves her sarcasm to her sister Nancy.

BILLY GRAHAM leaves ten free speech lessons to Don May at the Dan Hardin Speech Clinic.

THE SENIOR CLASS leaves the following teachers:

Mr. Naughton a razor blade, in hopes he will use it before nesting season.

Miss Conroy an unused warranty on her new Civic.

Miss Gourley 6.02x10 moments of frustration and grief.

Mrs. Gavin many thanks.

Miss Germano either a shorter slip or a longer dress.

Mrs. Welch we ain't leaven nothin.

Mr. Flanagan we dedicate the song "Matchmaker".

Mr. Dodge ten extra large Winnie the Pooh outfits.

Mr. Dooling we leave three, nine-hundred-page novels to read.

Miss Barry for her patience and hard work we leave a French kiss!

To Mr. Arcudi, the soon to be disposed leader of the Millis Mafia, Bald Eagle Division, we leave the words of the famous Mafia leader.

Hairless Harry, "Make it shine like a plucked turkey!"

To Mr. Cangì, along with our appreciation, we leave the biggest joker in school — Jerry Jones.

In conclusion, we pray that no one herein mentioned will take offense, but will receive this testament in the manner in which it was given.

Laughter, my friends, is a part of life, and also a part of M.H.S.

In testimony, we the Class of 1975, here unto set our hand on the fourth day of June in the year of Our Lord, one thousand nine hundred and seventy-five, do declare this to be our Last Will and Testament.

Peter Harcovitz

To Our Parents . . .

All the rich and joy-filled moments we shared together and the times of solitude we also needed to digest the fullness of human happiness.

The times when our lack of understanding caused us hurt only to be resolved by the security of our love.

Not a day passed in my childhood and youth that you didn't find some way to give even when you were tired or carried a troubled heart.

From you I learned charity and compassion and tolerance. From you I learned to like myself.

I feel your image as a part of me, your lessons mirrored by my deeds.

Mom & Dad, if I suffer or am lonely or feel hurt, it is not because of you, but only that you opened me to so much love I have not yet found a world to give it all to.

To the Seniors,

After 18 years of striving on
What do you have to carry on
You've learned, you've lived, you've laughed a lot
But right now your life is just a dot
Make it grow and teach each other
Don't forget we all are brothers
Sit back and listen then lead a lot
and don't forget everything you've got
Remember the people that you have known
and remember the morals that you own
Remember the life that you can lead
and always remember to do a good deed.
